givejedahand It was like a #daypass out of the #catchment #QueenWest #Parkdale #Toronto past #Ossington and #Yonge all the way to #Victoria but there was no such place just more and more #condos and #modelsuites #TheComppund that #CAMH #CAMHFOUNDATION mean when they say they're #partoftheneighborhood - ie. #ALLofit! #MentalHealth? #MentalIllness! #Schizophrenic? #Schizomimetic! Dr #Rat #Brain's #Krembil #Neuroinformatics #Artificialintelligence? #Real #STUPIDITY! #Transforminglives? You could put it that way! #streetsoftoronto #streetphotography PS I mean.... CAMH is in collusion with what's driving us #crazy - in the worst way! CAMH is making us SICK! - and SICKER!
